Date: April 10, 2015

Project Name: TimePies

Client: Pink PlastiCS

Sprint Number: 5.0

1. What were the main lessons your team learned in this sprint?

   Just keep coding. Dont cram!

2. Describe one example of what went right in this sp rint.

   We only finished the use case that was supposed to be included in the last sprint.

3. Describe one example of what went wrong in this sprint.

   We are already one sprint late.

4. What will you do differently on the next sprint based on your experience working on this current sprint?

   I will do the project whenever I am free.
